

About the Work + Val

Val brings people closer to God/Source; she brings others into higher consciousness, healing of the mind and body and in alignment with their soul. Her life is in dedication to serving humanity. Her education comes from lifetime to lifetime but the highest understanding in connection to source.

During the session, Val brings up the divine field of energy so that your soul can awaken and experience a higher level of consciousness.

How it serves the audience:

- Unifying the field
- Creating flow and harmony
- Heart opening
- Inner Peace
- Connection to higher self
- and much, much more

Background

Valeria Tignini had a spontaneous kundalini awakening, aka the holy spirit, running through her in 2010. She had experienced what some call enlightenment and was activated into this timeless gift of which she becomes a conduit to source energy. Her capacity of understanding and mental downloads of universal truths is through her transcendence, as she has experienced profound clarity through her energetic activation and tapping into source through visions and sound.

Val has events to create community and share her spiritual gifts which include: Group sessions, private sessions, workshops, festivals, retreats, and also online sessions.
